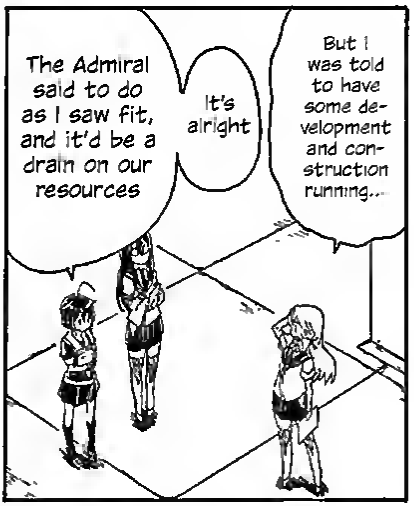
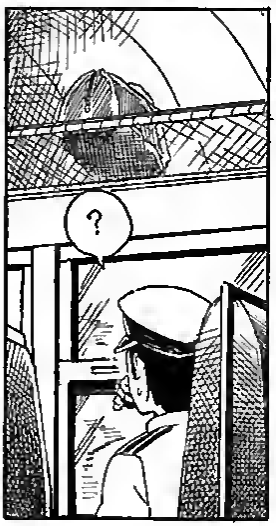
With that said,
the Admiral will be out on a business trip this week,
Manual on Procedures for the Admiral's Absence
so I'll be serving in his stead ...
Any questions?
Hmph
Nope
Understood
Roger
Shi-gu-re, Shi-gu-re!
What is it, Yuu-dachi?
The Admiral's Absence
Combined Fleet Girls Collection -Kan Colle- Gekiha & Ia Carte-
Maizuru Naval District No.9
Gouta
Even if the Admiral's gone ...
Uhm... I'll do my best as the wife poi!
"Secretary ship" would have been better
Poi!?
Not to mention Shigure's weak to that kinda thing

We have to shut down the factory while the Admiral's away!?

The resources that are going to end up burnt on a big operation ...
Shigure -chan, are you upset!?



The Admiral said to do as I saw fit, and it'd be a drain on our resources
It's alright
But I was told to have some development and construction running...



?

ぶぅくしゅ

That's what I told him too
It is pretty easy to imagine him panicking over low resources
Ah... well, I guess running the factory would be hard to do while he's gone ...
Sorry
Shigure -chan might be right

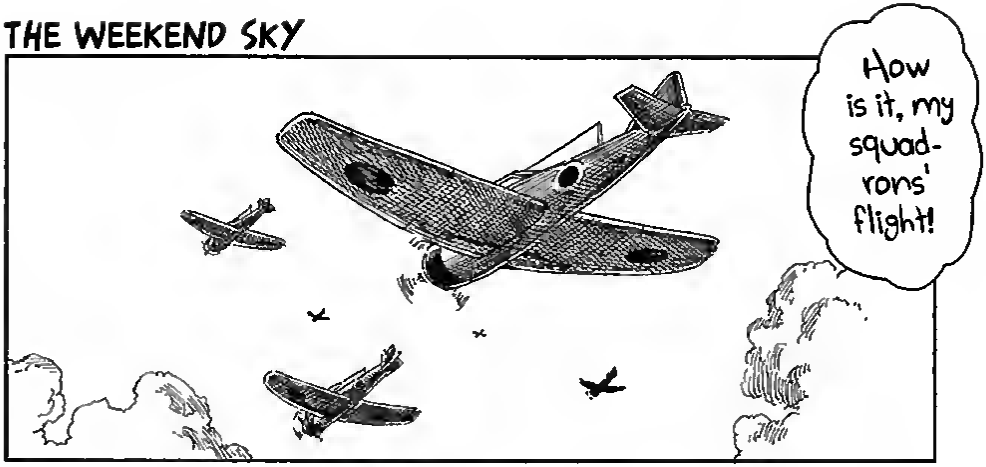
Ah!
Yeah, see you later
Ah
Alright, I'm off for my expedition
Ah, it's fine
When I get back, we could go on a patrol for a change of pace ...
...! Sure!
It's a pain that the Admiral's gone, but do your best, alright?
Hey, uh...
Admiral, hurry up and come the hell back...
I went ahead and let off steam yesterday

these documents are for you as well
Acting Admiral,
Then I'll use what the Admiral has some of the shipgirls refer to him as
Understood
Eh?
Shiranui... calling me that ...
Should I not?
Yeah
Something more familiar is fine
Onii-chan, these documents ...♥
I wonder if the Admiral will be back soon...?

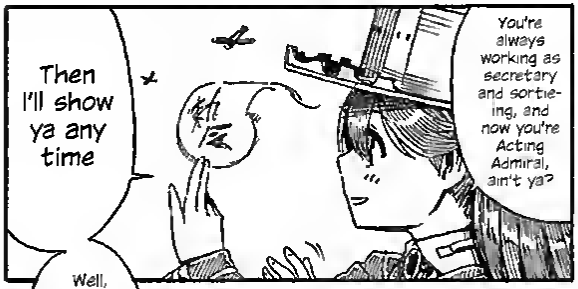
HEY, Shigure!
I've brought some supplies for your work!!
Kongou...
supplies?
Fufuun!
I'm sure Shigure would be happy with something like this NE~
C-can I touch it?
Of course DESS!
O-oKay
She's quite soft
Ta-da!
One of the Admiral's used uniforms DESS!

Oh, excuse me
Shigure~ the training for the newbies has fini...
We brought Shigure-chan some cookies to help her with her work
Ah, yes
Fubuki and Imuya? Something happen?
Wow!
Yo ho !
Ah, Hiryuu, thanks for the hard work
YOU'LL FEEL GREAT IF YOU USE IT
It's fine, it's fine, here, some bauxite!
I appreciate the gesture, but I don't think we destroyers can use it ...
Umm..
Alright, I'll give you something too!
Eh, there's no need!

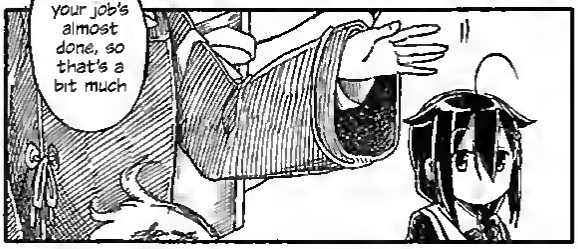
The fleet composition right now is merely a reflection of the Admiral's tastes
No, I'm actually pleased you did
ぱちっ
Looking at the fleet, there seemed to be gaps in proficiency, so...
Yeah
ぱちっ
I was told you had the girls with less combat experience sent to Exercises
ぱちっ
Check
If everyone becomes strong, then this war will certainly
Uuugh, you're too strong!
Nah
W-wait!
!?



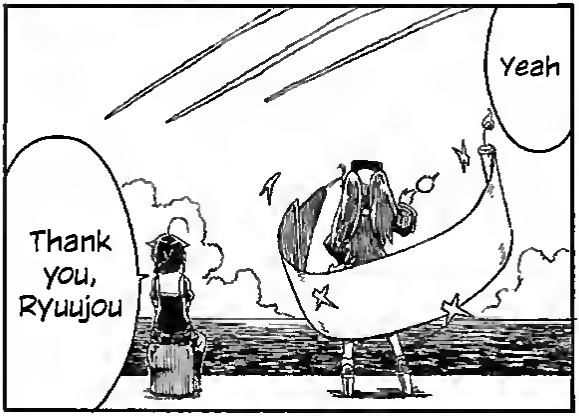
How is it, my squadrons' flight!



You're always working as secretary and sortieing, and now you're Acting Admiral, ain't ya?
Then I'll show ya any time



Well, your job's almost done, so that's a bit much



Yeah
Thank you, Ryuujou

It looks different when you get to sit down and watch it properly, huh
Told ya
Relaxing, ain't it?
Yeah, it's fun

Hey now
Yama-shiro ...
The Admiral's coming back tomorrow... need help going over any documents?
Nope
This next one should be the last, I think
You tried real hard, didn't you?
Thanks for the hard work

Hah ...
Ah, it's done...
There we go ...
Time sure flew by...
Admiral... he's coming back tomorrow
What should we talk about?
I want to tell him
About the things that happened while he was gone

END
